Horse Sponsorship & Arena Board Advertising

Marlborough RDA (MRDA) is a non-profit organisation which provides goal-based riding activities that increase the ability, strength, and confidence of people with physical, intellectual, emotional, and social challenges.

Our focus is to make a positive difference.

Our vision is to “Reach more Riders, Change more Lives”.

To achieve our vision, we depend on the generosity of our local community in the form of volunteering, donations, horse sponsorship and advertising opportunities.

HORSE SPONSORSHIP

Our horses are partners with our coaches and volunteers in delivering our RDA programmes to members of our community who are living with challenges.

Working in our environment our horses work closely with our team to be trained to adapt to a diverse range of tasks where they must remain calm and steady to enable our riders to feel safe and achieve their personal goals.

This makes our horses unique.

Horse Sponsorship covers a portion of the costs associated with their care and wellbeing, including:

- Grazing & pasture maintenance
- Feed (hay and hard feed)
- Vet, dental and farrier expenses
- Supplements when needed
- Training and handling
- Tack
- Contingency fund

How you are able to help?

An annual sponsorship enables us to feel secure that we have funds to cover the care of our horses for the upcoming year, it also enables us to keep our riding fees for students affordable so that our programmes are accessible.

We understand that a sponsorship is a partnership, and we endeavour to build relationships with our sponsors and recognise their support within our community.

Benefits for our Sponsors
